

FACTORY SYNTHETICS RACING SPONSORSHIP PROGRAM

Thank you for your interest in our sponsorship program. As a T-1 certified independent AMSOIL dealer we offer three levels of sponsorship. All sponsorship opportunities require registration with Factory Synthetics. Outlined below are the three levels of sponsorship and what each requires. You will also need to complete the attached sponsorship form. Once a level of sponsorship has been selected by the applicant, we will review your application and make a decision on qualification.* Sponsorship is at our discretion, not all applications will be approved. You will be notified promptly.

Once again, we thank you for your interest in our sponsorship programs. Good luck with this year's racing season.

LEVELS OF SPONSORSHIP

SILVER: Our silver sponsorship offers annual membership to our Preferred Customer Program (\$10.00 fee waved). As a "sponsored" preferred racing customer you receive dealer cost on the entire AMSOIL product line, decals for your equipment and a subscription to AMSOIL's monthly magazine. All sponsored racers are required to use AMSOIL products and promote their sponsor and our website (www.FactorySynthetics.com).

GOLD: Gold level sponsorship requirements, discounts & benefits are the same as Silver with additional benefits of receiving "free" AMSOIL racing decals, T-Shirts, promotional items (for display) and complimentary oil (first oil change for racing equipment per racing season) this is as long as the AMSOIL logo and our website (www.FactorySynthetics.com) are visibly placed on the racing equipment to be driven (photos required).

PLATINUM: Platinum sponsorship is slightly different in that the sponsored racer is required to register as an "AMSOIL DEALER". With the dealership opportunity you are sponsored with free oil (up to 12 QUARTS = 1 CASE per racing season) along with (Silver / Gold level participate discounts). You also have the ability to register other racers, fans, shops, stores, etc. As a sponsored AMSOIL DEALER you become part of a nationwide dealer group with monthly-earned commission checks distributed from AMSOIL INC. Corporate office. *NOTE: Dealer Status is on an annual basis, there is a cost for the business manual and registration, however, with your sponsorship, 50% of the cost would be covered by the sponsor. *Approximate cost to you would be \$30.00; this cost is offset with the additional quarts of oil and participation discounts supplied.

Please review the above sponsorship levels and the attached sponsorship application. Upon review, select the level of sponsorship requested by completing the application and return to the address listed below.

Once again, thank you for your interest in our sponsorship program and good luck with this year's Racing Season. Sincerely,
